## Canadian Limousin Association Yearling Data Instructions

### **IMPORTANT NOTES:**

**OPTIONAL DATA – All data is optional. In order to register an animal, it is required to submit information such as name, colour, and horn status as determined by the CLA by-laws and the Animal Pedigree Act. If you choose to submit information such as weaning weight, then it should be submitted on ALL animals. In order to be included in the genetic evaluation (EPDs) all animals must have weigh date, weight, creep weeks (if creep fed) and management group completed. Gussed weights are not appropriate.**

**In order to ensure the accuracy of data entry and enhance the ability of the staff to investigate concerns, all forms will remain on file in the CLA office. Forms will not be returned. Therefore, it is strongly advised that you make photocopies of the completed forms for your records. Please review pre-printed information for accuracy and make any required corrections.**

**In order for data to be included in the summer EPD evaluation, it must be received by the CLA office no later than JUNE 1st!!!**
