Christmas Greetings from the CLA

The holiday season is upon us and there is much to celebrate in the Limousin breed! We hope that this December edition of the monthly CLA newsletter finds your family well and looking forward to what 2017 holds for your operation. As this year draws to a close we would like to sincerely thank each of you, purebred breeders, commercial buyers, industry representatives, board members, and juniors alike for contributing to the continued success of the Limousin breed in Canada! Wishing you and your's a very Merry Christmas and all the best in the New Year!

CLA Office Closed for Christmas Holidays

Please remember that the CLA office will be closed for the week between Christmas and New Year's (December 24-January 2) to allow CLA staff a break to celebrate the season with their families.

The CLA office will re-open on January 3rd to serve our membership.

WHE Deadline January 15th

Information concerning your 2017 WHE has now been mailed to all members. If you are an online user we remind you that you will not have received any paper forms for your inventory. Please remember that Whole Herd Enrolment is due no later than January 15, 2017. Online users may find instructions on how to post their inventory on our website under DigitalBeef.

WHE DigitalBeef Instructional Video Now Online!

A step by step instructional video on how to complete your WHE online using DigitalBeef is now posted on the CLA website under DigitalBeef > Instructional Videos.

<http://limousin.com/digital-beef/instructional-videos/>

There is also an introduction to DigitalBeef video and an assortment of other videos are currently in production, stay tuned!

Beef Genomic Prediction Trial Project

The Beef Genomic Prediction pilot project is funded by Agriculture and Agri-Food Canada (AAFC) in collaboration with Livestock Gentec, University of Alberta and Delta Genomics Edmonton.

The project can predict genetic merit or molecular EPD (expected progeny difference) for the following traits:

- Feed efficiency: Dry matter intake, residual feed intake (RFI);
- Growth: Average daily gain
- Carcass traits: Carcass weight, lean meat yield, rib-eye area, back fat thickness and marbling;

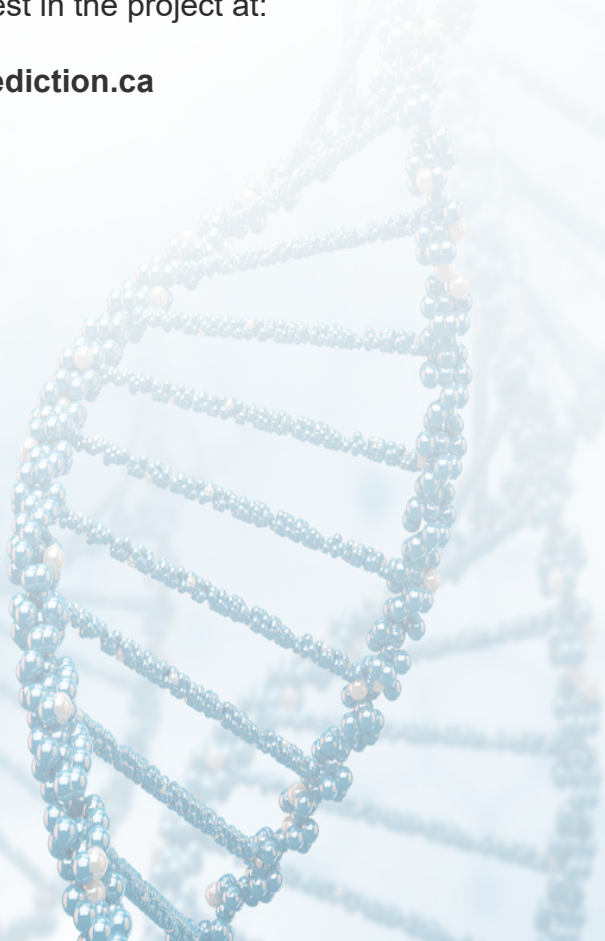

The objective of the project is to promote the adoption of a genomic prediction tool in beef cattle in order to improve beef production efficiency and quality through genomic selection in Canada.

The beef genomic prediction trial project will provide half of the 50K SNP genotyping costs for 500 selected beef cattle and free genomic prediction. Participants of 500 selected beef cattle will need to pay another half of the SNP genotyping cost (\$45/head) and will receive SNP genotype data and genomic prediction results (molecular EPD) for the above feed efficiency, growth and carcass merit traits. It will then be the producer's responsibility to send this data to the CLA, if they wish to have it included in the CLA genetic evaluation.

The pilot project is looking for producers who are interested in predicting genetic merit of their cattle via this trial project. Interested producers will find all of the information on the project, including the opportunity to sign up for an account and submit their interest in the project at:

<https://www.beefgenomicprediction.ca>

A full listing of all upcoming events can be found on the CLA website. There is also a feature that allows you to submit an event to be listed on the website! You can list upcoming shows, sales, educational events, and anything else you think would be of interest to CLA members!

Updates from CLA Board of Directors Meeting

The Canadian Limousin Association board of directors met on December 8 & 9, 2016 in Calgary, AB to discuss numerous agenda items as well as complete a strategic planning session. Your CLA directors invite you to contact them should you have any questions or concerns regarding CLA board matters.

Your current CLA board of directors are:

President: Terry Hepper, SK

Vice President: Eric Boon, SK

Treasurer: Bill Zwambag, ON

Directors: Erin Kishkan, BC; Jim Richmond, AB; Tim Andrew, AB;

Mark Angus, MB; Matthew Heleniak, ON; Joe Cooper, NS

50th Anniversary National Show & Sale in 2019

The Canadian Limousin Association Board of Directors has come to the decision that they will now be allowing each province to bid on hosting the 2019 50th Anniversary Show & Sale. A bid sheet had been e-mailed to the president of each provincial Limousin association. Bids will be accepted until March 1, 2017 after which the CLA membership will be able to participate in an online poll to vote on the location. We are looking forward to celebrating this momentous occasion in a big way in 2019!

CLA General Manager Bull Sale Attendance

At the recent CLA Board of Directors winter meeting there was discussion that it is more important for the CLA's limited budget to be used to send the General Manager to provincial association annual general meetings and/or events rather than individual members' bull sales. Therefore, a motion was passed stating that the General Manager of the Canadian Limousin Association attend Provincial Annual General Meetings and/or provincial event at the cost of the Canadian Limousin Association, however the General Manager is still available to members to attend any CLA member event/bull sale at the expense of the member inviting the General Manager. The expenses that will be covered by the member include costs incurred for flights and/or mileage, hotel, and a per diem of \$100 per day.

If you would like for me to attend your bull sale this spring, please contact me so I can include it in my schedule. You will be invoiced by the CLA for my attendance. I will only be attending the sales of those operations who contact me to request my attendance.

Tessa Verbeek, CLA General Manager

Cell: 403-636-1066

E-mail: tverbeek@limousin.com

Breed Improvement Committee

At the summer 2016 board meeting Eric Boon was elected as chair of the Breed Improvement Committee. A committee consisting of Anne Brunet-Burgess, AB; Jeff Yorga, SK; Bill Campbell, MB; and David Clark, ON has been assembled and had their first conference call earlier this month.

2017 CLA Annual General Meeting

The 2017 CLA Annual General Meeting will be held in conjunction with the CJLA Impact Show in Portage la Prairie, MB the weekend of July 27-29, 2017.

2017 Australian/Canadian Limousin Youth Exchange Recipients Selected!

The Canadian Junior Limousin Association (CJLA) will be sending two CJLA members to Australia on the Australian/Canadian Limousin Youth Exchange in 2017. Applications were received up to October 31st and the two lucky CJLA members who have been selected as the 2017 recipients of the award trip are Cheyenne Porter of Wainwright, Alberta and Naomi Best of Harding, Manitoba.

Cheyenne Porter

Cheyenne will be travelling to Australia for four weeks in March/April 2017 where she will be touring numerous Limousin studs and staying with host families that will take her to the Sydney Royal Easter Show in Sydney, New South Wales. Limousin is the feature breed at Sydney this year and over 300 head of Limousin animals are expected to show!

Naomi Best

Naomi will be travelling to Australia for four weeks in August 2017 where she will tour numerous Limousin studs and stay with host families that will take her to the Ekka Royal Queensland Show, one of Australia's largest cattle shows, held in Brisbane, Queensland.

These CJLA members will also receive \$1,000 each from the CJLA to cover their travel expenses. The Australian/Canadian Limousin Youth Exchange is planned to continue again in 2018 so if you are a CJLA member age 16-21 make sure you apply next fall!

2016 CJLA Scholarship Recipients

Congratulations to Brittany Hirschfeld, Cando, SK; Jackie Wismer, Amherstburg, ON; and Kaitlyn Davey, Westbourne, MB who were selected, based on their applications, to receive scholarships from the CJLA in 2016!

Brittany
Hirschfeld

Jackie
Wismer

Kaitlyn
Davey

Mark your calendars!

SHOW DAM OF THE YEAR
Greenwood Wisteria Lane owned by Jayden Payne (Greenwood Limousin)

Canadian Limousin Association Elite Limousin Dams 2016

The Canadian Elite Limousin Programs aim at rewarding and recognizing herds that submit performance data and are supporters of the Whole Herd Enrollment. The Elite Limousin Dam Program identifies the very top Limousin cows in the Canadian population.

The Elite Dam Award was revamped in 2010 with input from the board, the Breed Improvement Committee and genetic consultant Sean McGrath. It was identified that the traits of importance in terms of high producing cows were birth weight, weaning weight, milk production and docility. The ideal female is described as one that calves every year without assistance, weans a big calf thanks to her high milk production and possesses a temperament that makes her pleasant to work with.

The Elite status of a female is a permanent designation. Once a Limousin cow is designed Elite or Super Elite, that recognition stays with her forever.

- All Fullblood, purebred, or percentage registered Limousin females on Whole Herd Enrollment, the year of Elite designation, are eligible.
- Must have raised at least 4 registered calves in the last 6 consecutive years. If the female raised 6 registered calves in 6 years, she receives Super Elite status.
- Must have above breed average EPD for weaning weight, milk and docility.
- Must have below breed average EPD for birth weight.

Canadian Limousin Association Elite Herds 2016

The Elite Herd Program aims at identifying the herds that do total reporting of information for their animals and truly contribute to the advancement of the Limousin breed.

Elite Herd Awards are divided in 4 categories:

Platinum: herds that submit their BW, CE, WW, Docility on every calf weaned, YW, SC, Ultra sound or carcass

Gold: herds that submit their BW, CE, WW, YW and docility

Silver: herds that submit BW, CE and WW

Bronze: herd on Whole Herd Enrollment

Based on information submitted by December 1, 2016.
