

# LIMOUSIN

THE NATURAL **GENETIC ADVANTAGE** FROM BIRTH TO PLATE

## 700 HEAD COW/CALF

Connor Bros Ltd  
HANNA, ALBERTA

Using Limousin bulls on our black cows gave us calving ease and a cross breeding advantage. Our ranch was able to sell market topping 1000 pound grass yearlings in late July.

## 500 HEAD BLACK COW HERD

Gord Kozroski  
2013 SK Commercial Breeder of the Year GULL LAKE, SK

We use quiet Limousin bulls for the big beefy calves with great hair and hip. They have been our terminal cross for over 20 years and the calves are vigorous at birth, do well in the feedlot, and have great carcass yield.

## 250 HEAD COW/CALF

Craig and Lorna Marr  
2013 MB Commercial Breeder of the Year SILVER RIDGE, MB

Year after year, we buy Limousin bulls because they give us great calves that we get a premium for. Raising superior calves is why we farm.
