

To whom this may concern,

Each summer, the Canadian Junior Limousin Association (CJLA) hosts a national event for youth under 21 years of age. The Canadian Junior Limousin Impact Show attracts participants from all across Canada who take part in a four-day event including livestock exhibitions and competitions related to the beef industry. This national event moves from province to province each year and in 2025, it will be held at Swift Current, Saskatchewan August 6-9th.

Hosting a national event requires many resources. The organizing committee is seeking various levels of sponsorship in hopes of offsetting the costs of the show. Attached to this letter is an information page outlining each of the sponsorship levels. A financial commitment to Limousin Impact 2025 that fits with the goals of your organization would help us go even further to provide opportunities for youth who are engaged in the beef industry and the future of agriculture in Canada. Shows such as this one are the foundation for bringing young people from across the country together to learn, grow, and establish lifelong friendships.

If you have any questions about how you can be involved in this exciting opportunity, please do not hesitate to contact me or another member of the organizing committee. Your time and support are appreciated.

Thank you,

Ashton Hewson
